Application of TriCoLink, Inc. for Designation as an Eligible Telecommunications Carrier pursuant to Section 214(e)(2) of the Communications Act of 1934.

TriCoLink, Inc. ("TriCoLink," "the Applicant," or the "Company"), filed an Application with the Public Service Commission of South Carolina ("Commission") for designation as an Eligible Telecommunications Carrier ("ETC") in the State of South Carolina. The Application was filed pursuant to Section 214(e)(2) of the Communications Act of 1934 and S.C. Code Ann. Regs. 103-690. The Company requests ETC certification in all areas where TriCoLink, through its participation in the Rural Electric Cooperative Consortium, has been allocated Rural Digital Opportunity Fund ("RDOF") Phase I support by the Federal Communications Commission ("FCC") as a winner in the RDOF Phase I auction, as well as in additional service areas. The Application states that the Company is obligated by the FCC to obtain ETC designation status by June 7, 2021. TriCoLink asks the Commission to designate the Company as both a high-cost and low-income eligible telecommunications carrier, so that the Company will be eligible to receive the Rural Digital Opportunity Fund Phase I support it has been awarded in Auction 904, as well as federal Lifeline support throughout its proposed ETC Designation Area.
